Let us Introduce Ourselves!

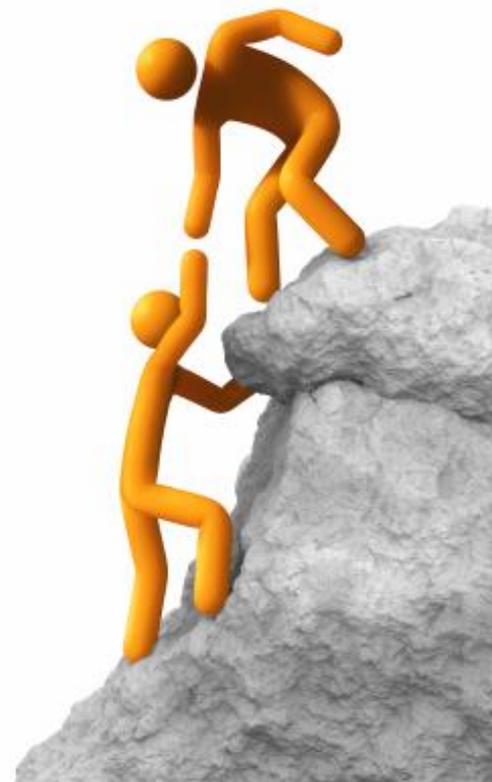

XLMentoring in Rayleigh is a partnership project between the Megacentre and the United Reformed Church in Rayleigh. It is targeted at young people aged 10-18 and their families. Through a 1:2:1 community mentoring programme, which lasts a minimum of 12 months, the young person is able to gain a belief in themselves and have someone who is willing to support and help them in their everyday life.

XLM identifies and evaluates candidate young people to take part in the project in consultation with local schools, pupil referral units, youth services and the police.

What I can expect from the XLMentoring project?

Our mentors are trained to

- help young people realise their potential,
- help young people form good relationships,
- keep information confidential unless it would put the young person at risk of harm if left undisclosed,
- Listen without judgement
- Identify possible safeguarding issues and report them.

XL Mentoring

– Positive futures
for young people

Funded By

Essex
Community
Foundation

Trained Volunteer Mentors to 'walk alongside' young people when they are most in need.

Our aims:

XL Mentoring aims to give young people most at risk, a role model mentor in their lives to give support by encouraging them to:

- Remain in (or re-enter) mainstream education,
- Change their attitudes and behaviours,
- Set goals and work hard to achieve them
- Develop the necessary life-skills to take advantage of opportunities, deal with life's challenges, and play a full part in society.

Who are the mentors?

All of our mentors are trained volunteers from the local community. They come from various walks of life and each mentee is carefully matched with their adult mentor.

Where does it take place?

This is a community mentoring scheme, so all the meetings take place in public places in Rayleigh and the surrounding area. It is up to the young person and the mentor to agree a meeting place. Many of our meetings take place at the local coffee shop or at the Megacentre.

Who can be mentored?

Any young person living in Rayleigh or the surrounding area, or who attends a Rayleigh school, between the ages of 10 and 18 who has been referred by their parents, their local school, the police, the local mental health team or their youth club. This is a voluntary scheme, so the young person must agree to taking part.

REFERRAL FORM FOR XL-MENTORING

Confidential to you, your referral agency and XLM unless you disclose something of a serious nature.

1. Details of young person

Name(s):	Parent/carer:
Address:	Telephone No: Home:
