

Children and family's news and chat week 32!

Hello everyone, I hope you enjoyed the Messy Church Harvest and were able to join in. I gave our 30 bags to families on Saturday and during the week, and everyone seemed excited to begin! Below are a couple more of the activities you may have done! This Sunday 1st November, we will join our usual Sunday children and family worship with the Messy Church celebration, so do join us for Sunday worship! Also, I'd love to see your half term pictures! We will also have our usual zoom Sundayclub at 11.15am. I'm looking forward to seeing you all then! **I have not received any of the consent forms back yet, these are important, so please return them. If you need me to send you a paper copy, let me know.**

Story time for under-fives – Being thankful.

“Shout for joy to the Lord, all the earth.”

Psalm 100 verse 1

This bible verse is written by David and is the beginning of a song for giving thanks. When do we shout for joy? When our favourite team has scored a goal, or we get a lovely surprise, maybe a present we wanted but didn't expect to get? If you can, read the rest of Psalm 100, and see if you can read it aloud. Maybe even shout out some of it. It is a joyful Psalm and can make you feel a little of how David must have felt when it wrote it.

If you need to get in touch with me my number is: **Tel: 07511950633**

Diary:

<p>Sunday 9am – 10am 11.15am –</p>	<p>Sandy uploads a short, recorded, children and family worship video which can be accessed via Facebook or the website.
