

Children and family's news and chat week 35!

Hi everyone, I hope you are all keeping well! We are now on the cusp of advent which starts on Sunday 29th November 2020 – how exciting! Rev. Naomi has suggested that we all mark this time by putting pictures of candles in our windows. There are lots of ways we can make candles pictures and I have provided some examples in the pictures below, why not have a go at making a few and put them in your window?

Don't forget if you would like to help out with our Christmas plans, I am looking for young people to read some of the bible passages connected to the nativity, in a video which you can make yourself at home and then send me. Or you could record yourself singing a verse of your favourite carol and send it to me! You can also dress up as one of the nativity characters if you would like and send me the pictures! We will have our usual zoom Sundayclub at 11.15am on Sunday I'm looking forward to seeing you all then.

“You are the light of the world.... Let your light shine before people, that they may see your good deeds and praise God in Heaven” Matthew 5 verses 14 and 16.

These verses are part of what is known as the sermon on the mount, where Jesus was talking to crowds of people on top of a mountain. He gave them lots of great teachings to follow that we as Christians try to follow today. Here Jesus is saying if we live for Christ, we will glow like lights showing others what Christ is like.
