

Romanian Crestin Trust

Newsletter December 2020

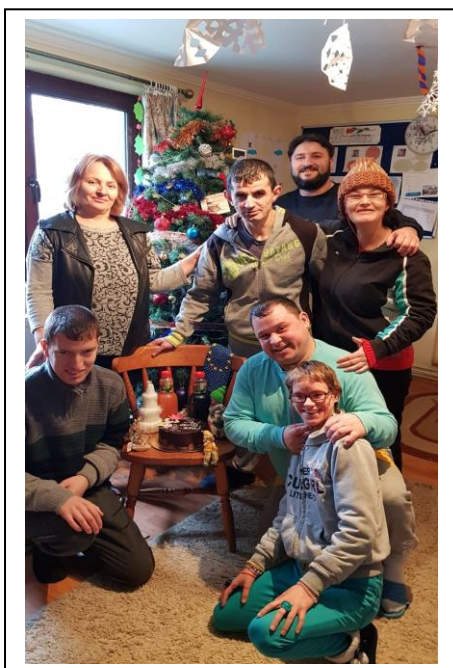

At this time last year we were struggling to find space to fit in all the news and blessings of 2019, but due to the worldwide pandemic (Covid 19) this year has been very different!

Our usual annual visit to see friends and encourage the wonderful work we are involved in had to be cancelled, but thanks to modern technology we have been able to maintain contact.

Our work with **Asociata Inima Reginei** continues but unfortunately we have no photographs to share with you. However, we keep in regular contact and can assure you that despite all the challenges of social distancing etc, our friend Doctor Tunaru has maintained contact with the folk we sponsor through the **Adopt a Family project**.

Our link and relationship with our friends in the **Myosotis Trust** continue to flourish and am delighted to report that their work at **Casa Esme**, which as you know gives respite to families with children with learning difficulties and has been very successful in re-integrating children into main stream education, continues albeit with what is now the norm 'Covid restrictions'.

Earlier in the year I took the opportunity to visit Carol Daniel, the founder of the Myosotis charity, at her home in Wales. This was a rare pleasure and privilege, as Carol is something of a 'workaholic' but we spent a marvellous day reminiscing on our experiences over the years and sharing our hopes and dreams for working closer together in the future.

Our friends, Linda and Mike Barnes who run the charity **Romanian Appeal Killearn England**, which is also linked with **Myosotis** through the House of Roses project, have been affected likewise, but thanks to Mihai Popa, the Director of Myosotis Romania, Linda collated a series of fantastic photos into a marvellous newsletter. If you would like a copy please email me at johnamos233@gmail.com.

On behalf of our trustees, Wendy, Jean, David and John, and all the folk we have the privilege to work with in Romania, thank you for your continued interest, support and encouragement and wish you all a very happy Christmas

John
