NEWS & CHAT 27 January 2022

The online service is live-streamed every week from Christ Church, on the Christ Church Facebook page.

Though no longer legally required by the government, masks must be worn for singing and are strongly recommended to be worn throughout Sunday Worship.

To continue to keep Covid-19 safe, please remember to:

- Wear a mask at all times (unless you have an exemption) **required when singing.**
- Sanitise hands when entering the building
- Keep at least 1m from people you are not in a 'bubble' or live with, including at groups meeting at church.
- Try to keep conversations after worship to a minimum

During services and other events, we will endeavour to keep the Church as warm as possible whilst maintaining good ventilation, so please dress accordingly.

Sunday 30 Jan. 10am at Christ Church, John Amos
 10.30pm at The Bridgwater Drive Church, the Minister

TIPS & IDEAS

An idea from #64MillionArtists January Challenge (a creative suggestion for every day in January): This week's 'challenge' is about listening – something we could all do more of, and something we could do as a church – many churches now have listening sessions where anyone can drop-in and be listened to, without being given any advice or prayer. Sometimes all someone in distress needs is to be properly listened to and to feel that they have been heard.

Take a few minutes to think about what it feels like for you to feel listened to.

How can you convey that feeling? You could choose a colour and draw the word 'listen' in big letters, or use torn up magazines, newspapers or words to express what it feels like. Or, write down the words 'When I feel listened to I...' and finish your statement. Fold it up and carry it around with you.

Over the next few weeks, the Faith in Action Group will be sharing information about the **Nationality and Borders Bill and the JPIT Show Your Heart – Together with Refugees** campaign. Please educate yourselves on this matter and pray for refugees and those opposing this Bill.

A campaign from the Joint Public Issues Team (JPIT) is calling on churches and local groups to take action, to **Show Your Heart** for **refugees and asylum seekers** in the UK.

WHAT IS THE NATIONALITY AND BORDERS BILL?

It is a proposed new law, in the UK Parliament in Westminster, which would change the way that decisions are made about asylum claims for people who come to seek safety and sanctuary in the UK.

WHAT WOULD IT CHANGE?

New legislation in the bill seeks to:

- Make it a criminal offence to knowingly arrive in the UK without permission.
- Create a difference between 'regular' and 'irregular' routes into the country.
- Reduce the rights of those who enter the UK via unofficial routes. Including limiting welfare support, family reunion rights and their long-term right to stay in the UK.

WHY IS THE BILL CONCERNING?

- It would create two classes of asylum seeker based not on what forced them to flee their home but on the opportunities available to travel to seek sanctuary in the UK.
- It would give the government powers to expel people seeking asylum to a 'safe country' they have passed through on the way to the UK, regardless of whether they have connections there.
- The Bill outlines a shift to putting people seeking asylum in out- of-town 'reception centres', rather than housing them in the community where they have access to practical support.
- The Bill fails to set any clear target for resettling refugees in the UK through international resettlement programmes.

Make the safety of refugees part of your prayer life.
