Children and family's news and chat November 2022

Hello everyone!

Here is the November children and family news and chat, including diary of events, which is now all included here in the church magazine.

You can also find this on our website here: christchurchrayleigh.org.uk

As I write this, the colours of Autumn are starting to show up all around Eastwood and Rayleigh, here is a picture of some of my strawberry plants, where the leaves have changed colour. Perhaps you could send us some of your Autumn colour pictures? We'd love to include some of your pictures in this part of the magazine.

This month we are starting to rehearse for our nativity service on **11th December**, so if you'd like to be a part of this service you will need to be at as many services from now until then as you can to join in with rehearsals, we'd love to have as many children as possible take part! It's Guy Fawkes Night on 5th November – please remember to look after your pets! Many animals are frightened by loud bangs and noisy fireworks, so make sure they are tucked up

indoors where the noise is lessened. If you're thinking of having a firework party, why not make it a low-noise one this year to help out our wild life friends? These fireworks are available and just as amazing and beautiful. Even better, go to an organised display on firework night, rather than having your fireworks on a different night.

Parents/grandparents and carers: We are in need of some more volunteers to help with the children's work in church. Working with children can be very rewarding and you can also use this experience to add to your CV. If you are interested or would like more information, please contact me. You will need to be DBS checked and references given. Thanks.

Psalm 121: 5 “The Lord himself watches over you! The Lord stands beside you as your protective shade.”

If you ever feel afraid, or lonely, try to remember this verse – you could also read the rest of the Psalm, which is only 8 verses long. How wonderful to know that our Lord is watching over us and protecting us, like a big umbrella, keeping us dry in a rainstorm, or protecting us from the heat of the sun.
